

# POSNOC NEWSLETTER

## OCTOBER 2023

**Amit Goyal,**  
CI

I am delighted to welcome you to our Autumn Newsletter! As we approach the final stages of the follow up phase, I want to express my utmost appreciation for your continued commitment to this ground breaking research. The data collection and follow-up stage are pivotal to the results and success of this study, and I am immensely grateful for your efforts. POSNOC trial has the potential to revolutionise clinical practice and, more importantly, improve patient outcomes. The knowledge and insights we gather during this follow-up phase will be critical in shaping the future landscape of breast cancer treatment. Thank you for your continued hard work and unwavering support.

POSNOC continues to make good progress throughout the follow-up phase of the trial. Efforts have been focused on the completeness of the data, and we would like to thank staff at our 117 sites for their ongoing efforts and support over the past year!

### Breast Cancer Awareness Month

**Sun, 1 Oct 2023 – Tue, 31 Oct 2023**

This October is Breast Cancer Awareness Month. [Breast Cancer UK](#), [Look Good Feel Better](#) and [Breast Cancer Now](#) are some of the charities focusing on raising awareness around breast cancer. Click the links to find out more.

### Protocol v6.1

Please continue to return completed PI protocol signature page, for version 6.1, as soon as possible.

### Annual Checks

Thank you to the **76%** of sites who have completed the annual checks! If your site has *not* yet completed the annual checks, please ensure you return them as soon as possible.

**Sammi Harrison,**  
Trial Manager

**Hadia Noor,**  
Trial Coordinator

### UPDATE

### Data Completion

**83%** of our sites have entered at least **95%** of their expected data, with an incredible **44 sites** having entered 100% of their expected data!
